

The Shiloh Spirit

Wallace Charles Smith, D.Min.
Senior Minister

The Pastor's Pen

Last Sunday our Eagle Scouts Investiture Service was a time for all Shiloh members to be proud of the accomplishments of Leslie Peterson and Malik Williams, Shiloh's two newest Eagle Scouts. They both worked exceptionally hard and showed themselves to be dedicated and committed young Christian men. Malik did his project working with the African American Civil War Museum. Leslie Peterson concentrated on improvements to the Shiloh Nursery. Both young men have made us very proud. We thank God for them and the tremendous support and sacrifices they received from their families. We pray God's richest blessings on our two new Eagle Scouts as they continue their lives of service and dedication.

Unfortunately the service was marred by the sudden illness of Brother Bradley Grogan. Brother Grogan was taken from the sanctuary by ambulance to Howard University Hospital, where he remains (as of Tuesday) in Intensive Care. Please pray for Brother Grogan and his family that God will see them through this difficult time.

The final comment for the week is a great big thank you to Archie Prioleau who has donated some state-of-the art communications equipment to the Shiloh Computer Lab. Several weeks ago we commented on the wonderful work of our Communications Committee and the Informational Technology Team. Brother Prioleau's generosity will make Shiloh's computer capabilities some of the best in Washington DC. God is so good. God bless you Brother Prioleau for your faithfulness to the work God is doing here at Shiloh.
